Subject Discussed by the Board FITTED WITHOUT CHARGI of Est mate.

Gilroy Again Lectures the Park Commissioners.

The difficulties with which the city has been beset in disposing of its ashes and garbage by the present method has convinced the city officials that other means will have to be found to get rid of the refusematerial. The question was discussed at length at the meeting of the Board of Estimate and Appor

tionment to-day. Corporation Counsel Clark, who has given the subject some attention, suggested that the garbage might be burned, but Commissioner Andrews. who has a scheme on foot to sell street sweepings for manure, thought the cost

"True," replied Mr. Clark, "the plant would be expensive, but it would be permanent."

Mayor Gilroy asked how many crems tories would be required. Mr. Adrews Tombs, who pleaded guilty to the charge replied that as many crematories as there are dumps would be needed. Mr Andrews safe he would prepare and submit some figures on the cost of burn

Andrews said he would prepare and submit some figures on the cost of burn ing garbage.
